Kim Lutey

Hi Volunteers!

As we head into a busy and exciting season, I wanted to take a moment to share what's coming up and say how grateful we are for everything

you do. Spring always brings a fresh sense of energy, and here at Mason Health, that means events, celebrations, and plenty of opportunities to connect – with each other and with our community. Whether you're able to jump into something new or simply continue the incredible work you already do, you make a difference every single day.

Looking ahead, it's time to gear up for our **Annual Golf Tournament on July 10th!**

This year marks the 30th anniversary of the Quality Care Open - a big milestone - and we'd love your help in making it a success. There are plenty of fun ways to get involved, from photography and event setup to ticket sales and more. If you're interested, send me an email and I'll get you signed up.

May also brings **Mason Health Week**, and you're invited to join in the celebration! It kicks off on May 11th and runs throughout the week with a full lineup of events. We have appreciation gift distribution, the Daisy Award Celebration, our yearly BBQ, an ice cream food truck, a Gift Shop sale, and an online pop-up shop where you can order some MH branded clothing. More

information is included below, along with the full timeline and locations.

For the month of May, we are hosting a food drive from May 4th through the 21st in support of several local food banks, including Pioneer, Hood Canal, and Matlock. The most needed items are non-perishable, non-expired food products. If you'd like to donate fresh or frozen foods, please take those directly to the food banks. You'll find details on hospital and off-site donation locations attached.

Looking ahead to fall, we'll have several outreach events where volunteer support is needed, including **Allyn Days**, **Bite of Mason County**, and **Oysterfest**. These are always fun, high-energy events with great food and activities, and we'd love to have you join us. If you're interested in signing up or learning more, reach out and I'll share details on shifts and opportunities.

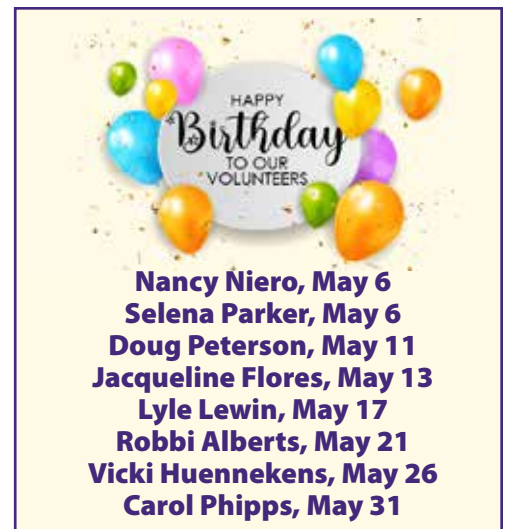

It's also scholarship season! We had four wonderful scholarship opportunities open to high school students, staff, and volunteers. While we wait for the official announcements (no spoilers here!), please keep all applicants in your thoughts and wish them luck. And to those of you serving on selection committees - thank you for your time and care in supporting the next generation of medical professionals.

As always, thank you for your patience and flexibility during our ongoing construction projects. We know it can mean a few

extra turns here and there, and we truly appreciate your adaptability. Be sure to follow our social media pages for updates, photos, and celebrations as we continue to grow and improve our spaces.

With spring in full swing, graduation around the corner, and summer plans starting to take shape, I want to close with a simple thank you. You are such an important part of Mason Health, and the work you do matters more than you know. As life gets busy, please remember to take care of yourselves, too. If you ever need time off - to rest, travel, or be with loved ones - don't hesitate to reach out. The best care we give comes when we're also caring for ourselves.

Thank you again for all that you do. Enjoy the season, make time for what brings you joy, and take care.

CONSTRUCTION AT THE HOSPITAL

Updates as of May 6, 2026

Mason Health has been undergoing a series of construction projects in alignment with the District's Campus Master Plan. These projects will further Mason Health's mission by expanding services for patients, ensuring the District can continue to provide the best patient-centered care.

- Mason Health's cafeteria is now open, as the new Mountain View Café! Stop by and enjoy the new layout, artwork and menus!
- Mason Health's Pershing and Ellinor rooms reopened downstairs near the Mountain View Café on April 9.
- The Diagnostic Imaging Reception and Waiting Area relocated to its new permanent location on April 16. Please see the hospital registration desk if you have any questions.
- Human Resources Remodel & Relocation: Human Resources is temporarily located at Building 237 at Professional Way in Shelton. In 2026, HR will reopen with expanded space in the lower level of Mason General Hospital.

For any questions or concerns regarding the construction projects, please contact the District's Marketing and Communications Office at marketing@masongeneral.com.
